- In case the mobility combines teaching and training activities, **this template** should be used and adjusted to fit both activity types.
- In the case of mobility between higher education institutions (HEIs) this agreement must always be signed by the staff member, the sending and the receiving HEI (three signatures in total).
- In the case of KA171 outgoing mobility of invited staff from (non-academic) organisation to teach in a HEI, this agreement must be signed by the participant, the beneficiary organisation, the HEI receiving the staff member, and the organisation they belong to (four signatures in total). An additional space should be added for signature of the beneficiary organisation organising the mobility.
- In the case of incoming mobility of invited staff from enterprises/(non-academic) organisation to teach in a HEI, this agreement must be signed by the staff member, the receiving institution (if applicable, the beneficiary organisation (if different from the receiving institution)) and the sending organisation (three or four signatures in total).
